About this Aircraft

The Lear 60 consistently outperforms similarly priced alternatives, setting a higher standard in performance, comfort, and overall value. The blend of speed, range, and performance make the Lear 60 a preferred choice for passengers and operators alike.

This particular aircraft presents a unique opportunity for buyers seeking a turnkey solution. Highlights include recent major inspections, enrolled in ESP Gold engine program, and preferred 8-seat executive configuration, perfect for both business and leisure missions.

Professionally flown and meticulously maintained to the highest standards, this Lear 60 reflects true pride of ownership. With its outstanding pedigree and immediate availability, it is ready to enter service without delay.
